### *Following The North Star*

From Fitchburg to Anchorage in one month is the plan of the Beauvais family, whose father Thomas, an Air

Force sergeant will be stationed in Alaska for two years, starting in September. They are pictured here with

their VW camper van a short time before they left Saturday morning. Left to right are Thomas, standing;

Michael, being held in Tom's arms; Michelle, Brian, Bobby, sitting; and Peggy, in the passenger's seat. (Staff photo)

**Isolated Neutron Star RX J185635-3754**  
Hubble Space Telescope • WFPC2

PRC97-32 • ST ScI OPO • September 24, 1997  
F. Walter (State University of New York at Stony Brook) and NASA

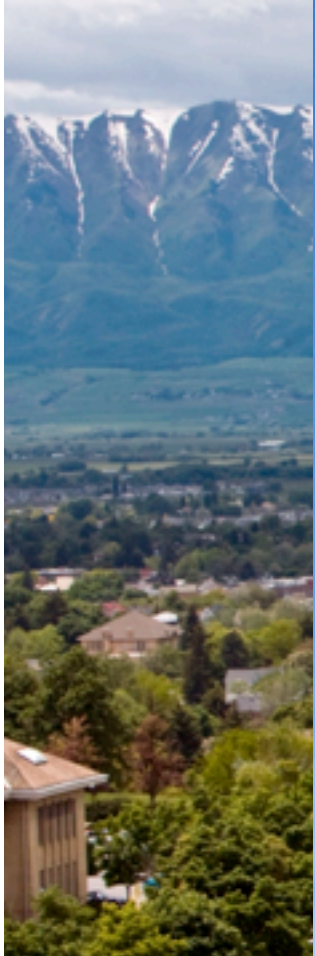

A vibrant, multi-colored nebula with swirling clouds of orange, yellow, and blue gas against a black background filled with distant stars. The text "COSMIC WONDER" is centered over the nebula.

# COSMIC WONDER

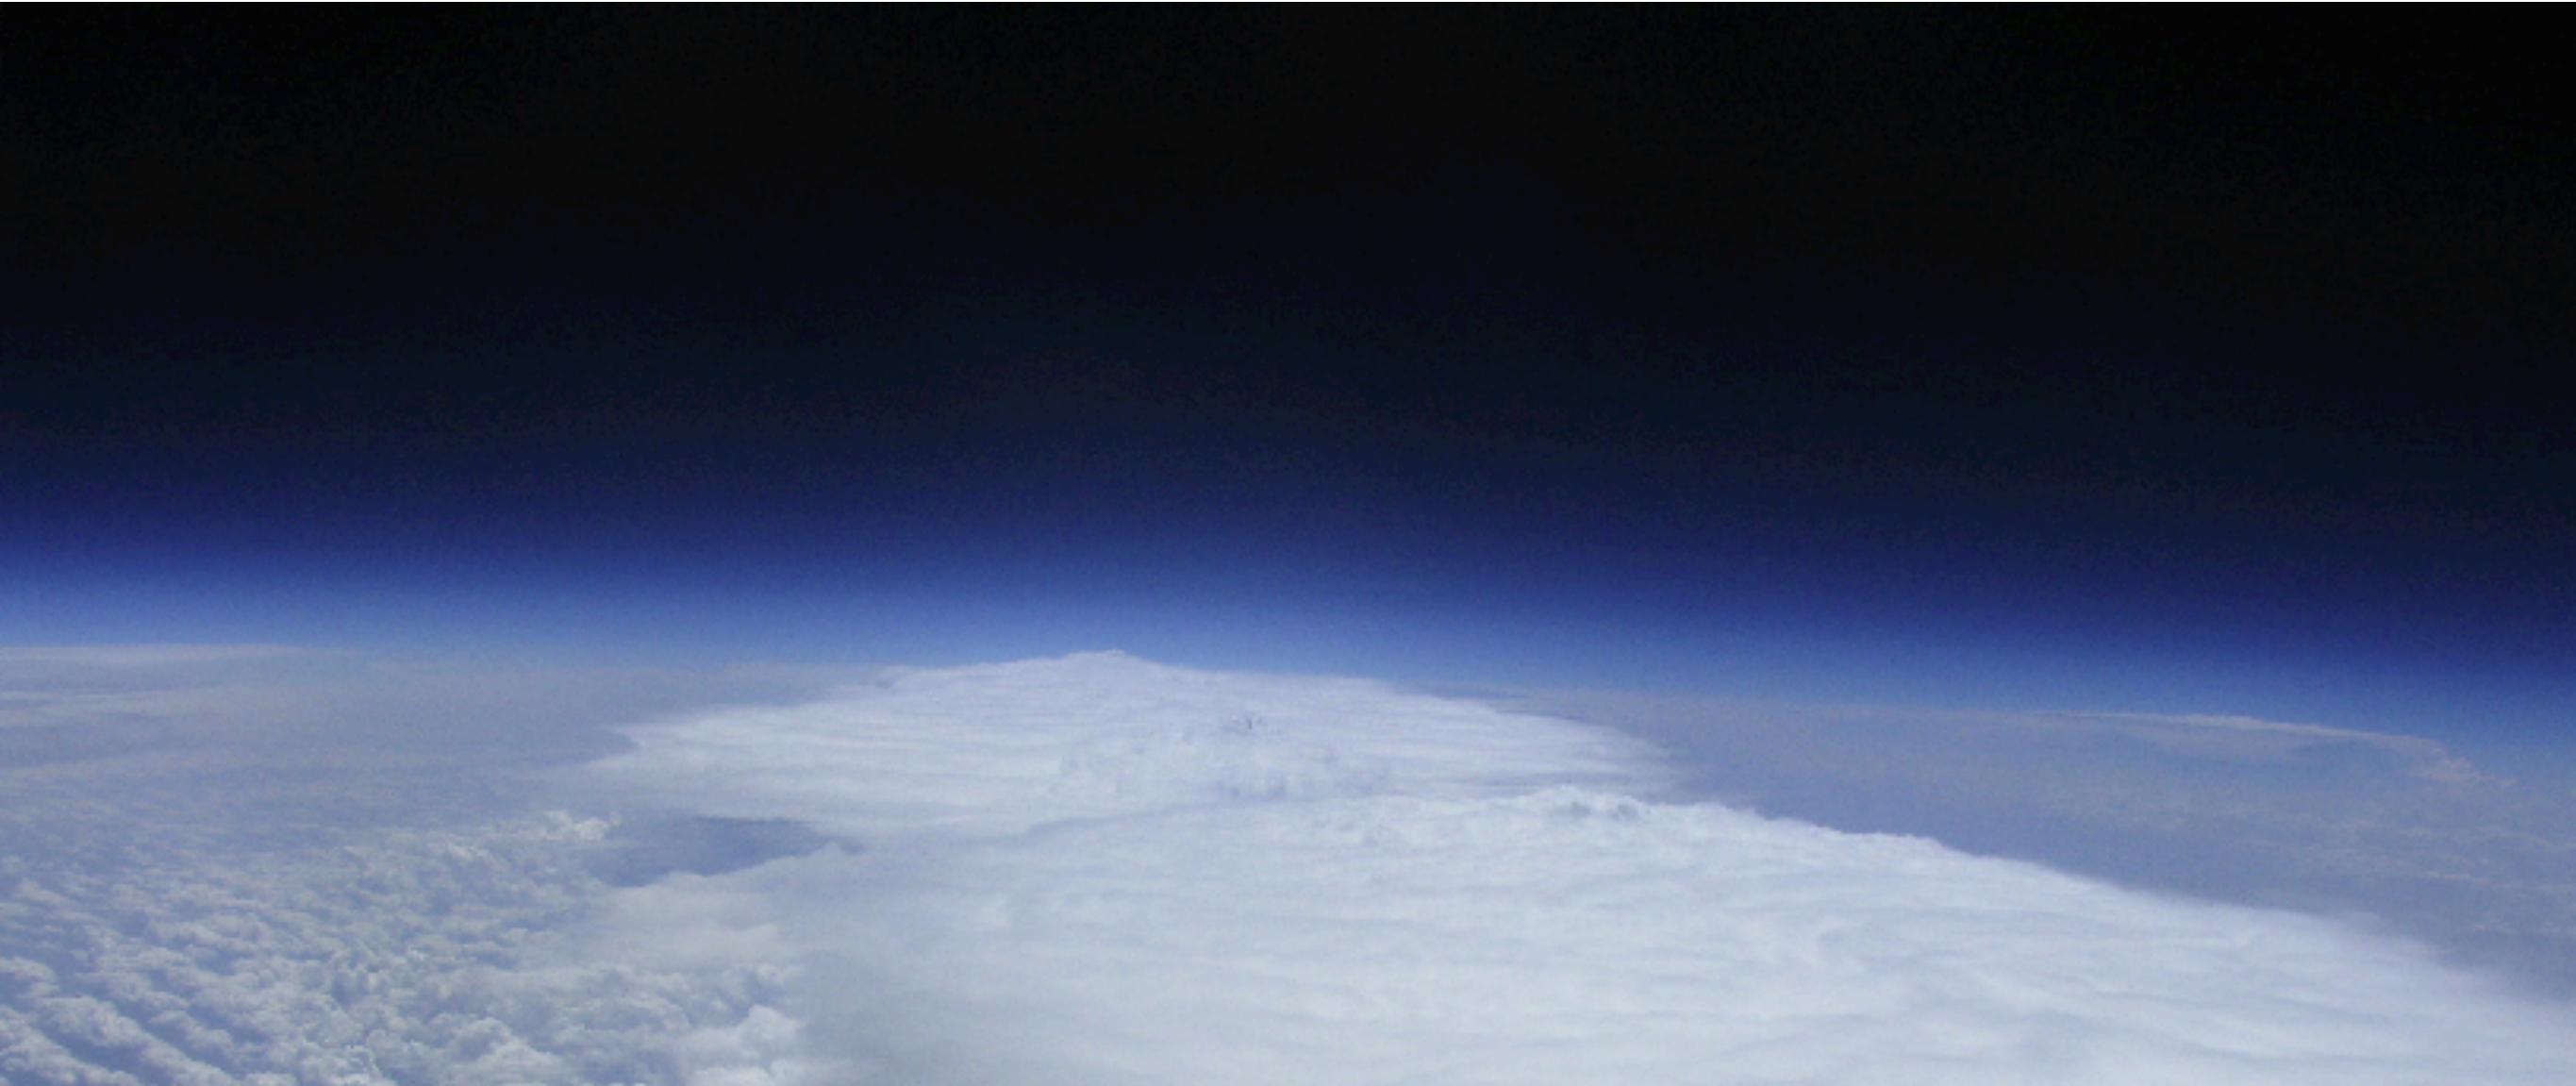

A photograph of a sunset scene. The sun is a bright, glowing orb in the center-left, partially obscured by the dark silhouette of a palm tree. The sky is a mix of orange, yellow, and grey. In the foreground, there are tall, dry grasses and another palm tree on the right. In the background, a body of water reflects the sunset, with some distant land and clouds visible.

**I have no  
special talent.  
I am only  
passionately  
curious.**
